

Help and Support Contact Details

North East Lincolnshire Council Information

NELC is working with private, voluntary and community sector partners to coordinate the delivery of food and essential medicine to vulnerable people if they live alone and don't have family, friends or social care services to help them.

A new dedicated helpline, available during the COVID-19 pandemic, launches today. The helpline can be accessed by calling the usual North East Lincolnshire Council telephone number (01472) 313131 and is available 8am-8pm, seven days a week

<https://111.nhs.uk/>

Get coronavirus support as an extremely vulnerable person

Register if you have a medical condition that makes you extremely vulnerable to coronavirus. For example, you'll be able to ask for help getting deliveries of essential supplies like food.

If you're not sure whether your medical condition makes you extremely vulnerable, register anyway.

This service is free. You can register yourself, or for someone else.
