

ASHBY CUM FENBY PARISH COUNCIL

CORONAVIRUS ADVICE AND SUPPORT

At this time of uncertainties, it is important that the local community can come together to help those in need. While neighbours may already be providing support to one another, this may not be the case for everyone.

Looking out for each other has become ever more crucial and our thoughts turn to those friends, family and colleagues who are particularly vulnerable during the coronavirus outbreak.

To ensure people are supported in their own homes for what could be a prolonged period, if you are aware of a vulnerable neighbour please check on them to see if they need such things as shopping or medication collecting.

It isn't clear yet what role (if any) the Parish Council will play in organising volunteers, but if we can collect as much information as possible it will be useful for any other agencies that take this responsibility on. In the interim, if you need help, please ask a friend, neighbour or Parish Councillor.

Contact details for Parish Councillors and the clerk are on the website.
