

Ashby Cum Fenby Parish Council NEWSLETTER FEBRUARY 2017

Dear Villagers,
Welcome to the February's Newsletter.

Adopting the Village Green – Advice needed!

Open Spaces Society (OSS) have called on local authorities to make 2017 the Year of the Village Green, by voluntary registering their land as greens, so that local people have a guaranteed green space for recreation, which is preserved for ever. It also encourages local authorities to register their own land so that even if it is sold, it is protected. The Parish Council would like to register our village green. If any resident can help with legal experiences or who can advise. Please contact the Clerk.

Vacancy on the Parish Council

Have you a spare few hours a month?
Would you like to represent your local community?
Do you have views on preservation and development?
Do you want to make a difference?

If you can answer yes to any of the above questions and would be interested in being considered to sit on the Parish Council, please contact the Parish Council Clerk.
