Dear Villagers,
Welcome to the March Newsletter.

Pot Holes – Who to Contact

A pot hole 40mm deep or deeper is reportable through <https://www.nelincs.gov.uk/report-it/>
Any other areas of concern can be reported to the clerk.

Defibrillator

We are in the process of looking to purchase a defibrillator for the village, the estimated cost for the machine is £1600. The Ward Councillors have said they will donate £632 from Ward funding. We are also checking if there are grants available from The British Heart Foundation.

We would like your opinion of where you would like a defibrillator positioned, Church Hall or Telephone Box and if individuals or businesses would consider donating towards the costs?

Please complete the form at the bottom of this newsletter and forward to the clerk, or by email. (Address and email at the bottom of the page).

Dog Fouling

Sorry for raising this issue again, but complaints have been received regarding dog fouling on grass verge and public rights of way footpaths. If your dog poops, then you should scoop. Thank you!
